After the performance, get something to eat while we watch other bands. (Bring money for dinner at concession stand and keep it with you; it may be a good idea to pack enough snacks to have for supper in case the concessions run out of food.)

8:40 PM – Awards begin

ETA at South – 10:30 to 11:00 PM

Students will be encouraged to call you on their way back home so that you can meet them when they arrive at South.

Let's hope for clear skies, no rain and another great performance.
